England

Dear Ms. Middleton,

Allow me to introduce myself, I'm Steven Hirsch, the founder and co-chairman of Vivid Entertainment, the world's leading adult film studio based in Los Angeles.

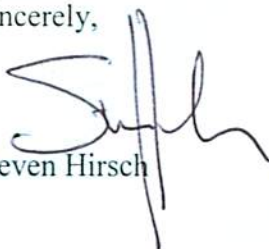

As far as I was concerned, you were the star of the recent Royal Wedding. As I watched a broadcast of the event I couldn't help but think that with your beauty and attitude, you could be an enormously successful adult star.

This week, after seeing photos of you having a great time at a party, I decided to offer you a role in one of our upcoming movies.

For just one explicit scene I would be pleased to offer you \$5-million and, of course, you would have your choice of partners. If you would like to bring your brother James along, he could appear in a separate scene for another \$1-million.

I hope you will give this offer serious consideration and I look forward to hearing from you. Please feel free to call me directly at the number below.

Sincerely,

Steven Hirsch
